

# Magnificent Beauty

The First Annual **Magnificent Beauty Luncheon** was held at the Capital Grille in Palm Beach Gardens. Hosted by **Dr. Anita Mandal**, a facial plastic surgeon in Palm Beach Gardens, the luncheon with formal fashion show benefited **FACE TO FACE**, a humanitarian program treating adults and children suffering from facial trauma and birth deformities.

Anita Mandal, M.D., Board Certified Facial Plastic Surgeon practicing since 1997, showcased three of her private patients who had undergone her signature procedure, the *Whisper Lift*. All patient models wearing **Ozcar G. Couture** and jewels by **Hamilton Jewelers**, revealed the natural and magnificent beauty of a woman at any age. A formal fashion show followed with runway models displaying Ozcar G.'s high end collection of couture cocktail wear and one-of-a-kind evening gowns, with jewelry by [davidandmina.com](http://www.davidandmina.com) and hair and makeup by **Edmund James Salon**.

After the champagne reception, an elegant three-course lunch with select wines was held in the main dining room. A Magnificent Beauty Raffle included a drawing of numerous luxury items donated by various designers as well as salon and wellness treatments. Three trunk shows offered exotic handbags, one-of-kind jewelry and hand painted silk scarves. The support and generosity of the raffle donors and 80 VIP guests allowed the First Annual Magnificent Beauty Luncheon to raise more than \$4,000 for **FACE TO FACE**.
